April 13 – 17, 2026

Five days -Four nights in Puerto Penasco, Mexico

(Some call it "Rocky Point")

Join the Baja Bush Pilots for our **31st** annual "BBP adventure. Five days of fun, excitement, and more.

Mark your calendar, make the reservation, and start thinking "Mexico". We have booked rooms at the Playa Bonita beach resort located right in the middle of three-mile Sandy Beach. When they fill up, there are no more.

Have a home or want to stay in a camper? Penasco is only one easy hour drive south of the border and, it has an RV park on its property.

Have an Experimental? You can now get a six-month AIU once you receive your Experimental Authorization. Want to join us in Mexico, the Experimental request form is on our website. (note, it takes about 5 weeks to process the authorization)

Once you have registered, you will receive more information on optional activities while on the trip.

These activities could include exploring the old port, visit Rodeo Drive, rent side by sides, fish, pool time, Zip Line, Bird Island, Horseback Riding, Parasailing, and so much more.

New this year, we are putting together a special event for what we call the "Baja Bush Pilot's Invitational". Yes, we will be putting together foursomes for our first annual ocean-side eighteen-hole golf Tournament.

Our tentative schedule is as follows:

Monday (arrival day)

- Welcoming drink at MMPE airport
- Transportation to town
- Open time
- Dinner at the hotel
- Room at the Playa Bonita

Tuesday

- Breakfast 6:30 – 9:00
- BBP Info / Q & A session with Jack 9:00 – 11:00

Regarding entry into Mexico, Mex '26 is being held in Puerto Penasco, one of the easiest and friendliest international ports south of the border. We are working with all the Port authorities to ensure that the entry / departure procedures are simple and easy. With all arrivals completing their pre-eApis and eAPIS prior to arrival, they know you are coming and will be poised to make the procedures painless.

Our “Baja Radio” radio tradition continues. As in the past, each aircraft will be assigned a Baja Number. This number will be your “call sign” and will be used in leu of your N Number when talking to MMPE as well as talking air to air.

With seventy BBP aircraft flying Baja during the event, communication by Baja call sign makes everyone’s job much easier than hearing an N Number and trying to figure out if they are one of us or not.

BBP Numbers will be assigned in the order that we receive your registration.

You will be provided more information about two weeks prior to the event.

The basic cost of Mex '26 per person this year are:

Per-person double occupancy, two persons sharing a room:
US\$590+tax
Per-person single occupancy, one person in a room: US\$920+tax
Adult, not staying @ Bonita PP\$230+tax
Child 14 and under PP: US\$230+tax
